EXPERIENCE

Associate Consultant-SDET

NGI ApexIT

📅 Jan 2022 – Feb 2023   📍 Bengaluru,Karnataka

- Transitioned from an intern to a full-time Quality Assurance position, with 1 year of experience in automation testing (BDD framework with Cucumber-Selenium and TestNG), performing various types of testing including functional, integration, and security testing, and expertise in designing automation frameworks (Page Objects, Data-Driven, Hybrid).
- Worked on 3+ Oracle Sales Cloud, Oracle Visual Builder Cloud Service, Oracle Intelligent Adviser projects, and 1 Salesforce Cloud Field Service Lightning (FSL) project. - Proficient in defect/test management tools such as JIRA and Redmine, with experience in test strategies, test plans, and User Acceptance Testing (UAT) across both Waterfall and Agile methodologies.
- Strong understanding of UI/UX testing for mobile and browser-based apps (Hybrid apps) and proficient in API testing using Postman.
- Demonstrated strong analytical skills, ability to suggest emerging automation tools, and recommend productivity improvements within organizational systems.

Frontend Devloper-Freelance

Idoow

📅 Apr 2021 – Dec 2021   📍 Hydrabad,Telangana

- Collaborated with clients to identify, define, and document project requirements and deliverables, resulting in the successful completion of high-quality software solutions that met or exceeded client expectations.
- Designed and implemented new features and enhancements to improve the functionality and user experience of existing applications, leading to improved user engagement and increased customer satisfaction.
- Proficient in HTML, CSS, and JavaScript, resulting in the development of user-friendly and visually appealing software solutions.
- Successfully designed and delivered several small projects for clients, resulting in positive feedback and repeat business from satisfied customers

Business Devlopment Associate

Byjus

📅 jan 2020 – Nov 2020   📍 kolkata, West Bengal

- Utilized cold calling techniques to generate leads and convert many into potential customers, resulting in more sales opportunities and higher customer satisfaction through one-on-one meetings to understand their needs and present effective solutions. - Demonstrated success in tight deadlines and fast-paced environments, delivering high-quality customer service while meeting or exceeding organizational goals and generating revenue of 0.5 million during the first wave of the COVID-19 pandemic by employing effective sales techniques. - Proven ability to learn quickly and adapt, leading to improved efficiency and effectiveness in customer service and sales.

LIFE PHILOSOPHY

"If you don't have any shadows, you're not standing in the light."
